This *License Agreement* is a legal agreement between you and Yuri Feldman as author and owner of the Spatial Aspect Explorer, which use the agreement covers.

1. The Spatial Aspect Explorer software is copyrighted property of author, and referenced in remainder of the agreement as "Software".

2. The Software is provided as freeware and licensed for personal use on any number of computers, free of charge. Commercial use also considered by this license as personal use as long as normal stand-alone model of using of the Software on personal computer is not violated. It's mean: using of the Software in any schemas of online generated traffic between the Software and remote users is prohibited. For this kind of purposes author upon power of separated license can provide separated products, which now limited only to raster data traffic, but can be extended in future.

3. THE SOFTWARE IS PROVIDED "AS-IS" AND WITHOUT WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL THE AUTHOR OF THIS SOFTWARE OR ANYONE ELSE WHO HAS BEEN INVOLVED IN THE CREATION, DEVELOPMENT, PRODUCTION, OR DELIVERY OF THIS SOFTWARE BE LIABLE FOR ANY DIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, SUCH AS, BUT NOT LIMITED TO, LOSS OF ANTICIPATED PROFITS, BENEFITS, USE, OR DATA RESULTING FROM THE USING OR MISUSING THIS SOFTWARE.

4. You may not remove any proprietary notices on the Software or documentation. You may not modify, de-compile, disassemble or reverse engineer the Software.

5. You may not use the Software in any activities, which can impose entire humankind or particular humans being, including yourself, to danger of their existence and should avoid use the Software in any bad or questionable-ethic activities. Doing on behalf authority of any institution will not remove you from limitations of the section.

6. You can freely distribute any derivate work produced as output from the software, except of online traffic as it was mentioned in section 2.

7. You can do so much copies of the Software as you need and freely distribute the Software without commercial purposes, but selling is prohibited. The distribution is permitted only in original form of the Software, which is referenced on Internet site of author, without any modification and under power of the license on behalf the author as stated in the section 1 of the license agreement, without breaking his ownership.

8. Bundling the distribution, mentioned in section 7, with yours of third party distribution packets can be permitted only after getting permission from the author.

9. The license is not exclusive.

10. The Software uses Zlib library, which is under copyright of Jean-loup Gailly and Mark Adler and used under separate free software license.

11. The Software uses Shapelib library, which is under copyright of Frank Warmerdam and used under separate "MIT-Style" license, which cited there due its requirements as:
